1. There are seven middle schools in Harbin, with a total of about 3,000 students, and forty-five primary schools, with a total of about 29,000 students.
2. All students receive military training and use Communist-indoctrinated text books.
3. In order to strengthen their control over the minds of the students, the Communist Harbin Education Bureau has assembled all the educators of the forty-five primary schools to put them through a Communist indoctrination course. The period of training, which started July 1947, was to last for three months.
